⁵ FordPass Connect, the Ford Pass App, and Complimentary Connected Services are required for remote features (see FordPass Terms for details). Connected Service and features depend on compatible Bell network availability. Evolving technology / cellular networks / vehicle capability may limit functionality and prevent operation of connected features. Connected service excludes Wi-Fi hotspot.

⁶ To qualify for complimentary charging offer, modem must be activated within 60 days of purchase through the FordPass App on a smartphone. Complimentary charging expires 2 years from vehicle purchase date. Offer excludes idle fees and parking violations associated with charging.

⁷ Navigation service requires SYNC®4 and FordPass Connect (optional on select vehicles), complimentary connect service and the FordPass app (see FordPass Terms for details). Customer receives a complimentary 3-year trial of navigation services when an eligible vehicle is added to member's FordPass account. Trial period begins with new vehicle warranty start date. At the end of the complimentary period, access to connected navigation services will be discontinued. Connected service and features depend on compatible Bell network availability. Evolving technology/cellular networks/vehicle capability may limit functionality and prevent operation of connected features. FordPass App, compatible with select smartphone platforms, is available via a download. Message and data rates may apply
