

2022 Ford F-150 Extended Range Lightning

Subject: Ford F-150 Extended Range Lightning Included Ford Charge Station Pro Shipping Confirmation

The purchase of your Extended Range F-150 Lightning includes the Ford Charge Station Pro and software to enable Intelligent Backup Power.

Sunrun, Inc. is the exclusive distributor and preferred installer of the Ford Charge Station Pro.

Sunrun is also the exclusive supplier and installer of a Home Integration System which must be purchased separately to enable Intelligent Backup Power.

Ford will share your purchase information (including name, contact information and vehicle configuration) with Sunrun for purposes of delivery and, if you wish, installation of your Ford Charge Station Pro and to inquire about your interest in enabling Intelligent Backup Power.

By signing this document, you direct Ford to share your purchase information with Sunrun, and you acknowledge you understand the shared information will be subject to Sunrun's privacy policy.

You also authorize Sunrun to contact you for the purposes described above via email or telephone call (including pre-recorded messages) using an autodialer even if you are on a national or state "Do Not Call" list. Message and data rates may apply.

IMPORTANT: Should the address that you provided to purchase and/or register this vehicle differ from your required shipping address of the Ford Charge Station Pro, please reach out to Sunrun at 855-341-0237.

If Sunrun does not connect with you in five (5) business days post sale receipt, they will ship the Ford Charge Station Pro to the addressed used in the purchase and/or registration of your vehicle.

FAQ's	<p>Q1. How much does this feature cost? A1. All 2022 MY F-150 Lightning Extended Range vehicles come with a Ford Charge Station Pro and it is included in the invoice of the vehicle.</p> <p>Q2. How will I receive my Ford Charge Station Pro? A2. For customers who ordered vehicles online, Sunrun may have contacted the customer separately to arrange early delivery and installation of the Ford Charge Station Pro. For customers who did not arrange for early delivery and installation through Sunrun, Sunrun will contact the customer within 5 business days of the reported sale, using provided contact information to confirm shipping address and discuss install options.</p> <p>Q3. What if the customer already obtained and installed a Ford Charge Station Pro through Sunrun? A3. Sunrun will contact the customer, prior to shipment of the Charge Station Pro, and confirm shipment. This will prevent shipping two Charge Station Pro units. Since the Ford Charge Station Pro comes with the sale of the F-150 Lightning Extended Range, the customer cannot return the Charge Station Pro unless they also return their new F-150 Lightning.</p> <p>Q4: Where can I direct customers to ask questions of Sunrun? A4: Sunrun can be contacted via phone at 855-341-0237 or online via sunrun.com/ev-charging/ford-f150-lightning.</p> <p>Q5: How does the customer install the Ford Charge Station Pro? A5: Sunrun is Ford's recommended installer of F-150 Lightning charging solutions, including the 80A Ford Charge Station Pro. Customer can also use a local, licensed electrician if they prefer.</p> <p>Q6: What if the customer does not want the included Ford Charge Station Pro? A6: The Ford Charge Station Pro is included with the purchase of their F-150 Lightning Extended Range and can not be removed from final purchase price of the vehicle.</p>																																								
Important Customer Notice	For vehicles sold directly at the dealership and equipped with the Ford Charge Station Pro, customer information will be provided to Sunrun to ship the Ford Charge Station Pro to the customer after the final Sale.
