PAYMENT TERMS AND CONDITIONS

U.S. ONLY

The following terms ("Payment Terms") apply to the payment features of designated Ford and Lincoln mobile apps and websites, which allow you to make purchases and pay for goods or services through your Payment Methods (as defined below). We refer to these features generally as the "Payment" features. The Payment features are maintained and operated by Ford, Lincoln, and/or our third-party payment service providers.

If you use the same login information for other Ford and/or Lincoln mobile apps and websites, your Payment Methods will automatically be synched and made

available for you to use when you access the Payment features of the other apps and websites.

By clicking "I accept," you:

- agree to be bound by these Payment Terms;
- represent that you are 18 years of age or older and capable of entering into a legally binding agreement; and
- authorize Ford, Lincoln, and our third-party payment service providers to verify the validity of your Payment Methods and to process and transmit your Payment Method information to facilitate transactions as described below.

We may modify the Payment Terms at any time. We will alert you through the app, website, and/or by email of any material changes to the Payment Terms and allow you an opportunity to accept the updated terms. Modifications will be effective immediately upon being posted on the app and/or website or on a future date as we may specify, and your continued use indicates your acceptance of the modified Payment Terms.

If you do not agree to the Payment Terms or any modifications to the Payment Terms or features, your only option is to stop using the Payment features.

We reserve the right to update, modify, suspend, or discontinue any part of the Payment features at any time without any notice or obligation to you. Payment features may not be available during maintenance breaks and other times.

1. Payment Methods

To use the Payment features, you must provide a valid credit card, debit card, or an eligible bank account (if ACH payments are enabled) ("Payment Method(s)") and, depending on the designated Ford or Lincoln mobile app or website, can elect to store your Payment Methods with us for future transactions ("Wallet") or use your Payment Method in a one-time transaction ("Guest Checkout"). Our process requires you to enter your name, address, credit card, debit card, or bank account number(s) and associated information necessary to validate and process payments with the Payment Method. All information provided during this process must be current, accurate, and complete.

For Wallets, we will store your Payment Method information for future transactions you initiate. For Guest Checkout, we will retain your name, email address, and last four (4) digits of your credit card for any troubleshooting related to the transaction you have initiated.

You authorize Ford, Lincoln, and/or our third-party payment service providers to confirm that your Payment Method is valid, including by submitting a payment authorization request or a low dollar authorization credit and/or debit, in accordance with the relevant rules of that Payment Method, such as the

network rules of Visa, MasterCard, American Express, or Discover ("Network"). If we submit a low dollar authorization for your credit or debit card, your card is not actually being charged, and any temporary charge shown on your account will disappear in a few days.
